

CSSW
Conference on Social Semantic Web
WEDNESDAY, 2007-09-26

08:15	Registration		30min
	Keynote		60min
08:45	Dr. Alexander Scherdin	<i>Senior Vice President IT Architecture and Quality Management, Deutsche Post AG</i>	
	• Business-Driven Enterprise Architecture Transformation through SOA – Key Learnings from Real-Life Implementations		
	Kingsley Idehen	<i>CEO, OpenLink Software</i>	
	• Hello Data Web - Exposing the Data Web		
09:45	Break		15min
	Welcome and Papers		90min
10:00	CSSW Organizers	• Welcome and Overview	
	Gernot Graefe, Christian Maaß	• Alternative Searching Services: Seven Theses on the Importance of Social Bookmarking	
	Rico Landefeld, Harald Sack	• Collaborative Web-Publishing with a Semantik Wiki	
	Mohamed Bishr	• Weaving Space into the Web of Trust: An Asymmetric Spatial Trust Model for Social Networks	
11:30	Break		30min
	Papers: Semantic Technology		90min
12:00	Uldis Bojārs, Benjamin Heitmann, Eyal Oren	• A Prototype to Explore Content and Context on Social Community Sites	
	Orri Erling, Ivan Mikhailov	• Adapting an ORDBMS for RDF Storage and Mapping	
	Christian Weiske	• SPARQL to SQL rewriting and enhancements	
13:30	Lunch		90min
	Invited Speech		45min
15:00	Prof. Jörg Müller	<i>Technische Universität Clausthal - Institut für Informatik</i>	Hans Hartmann
	• Decentral information technologies for process-driven business applications		Test Director for Objentis
			• SOA for IT? Hype, Trap or Hoax ?
15:45	Break		10min
	Demo und Poster I		90min
15:55	John Judge, Mikhail Sogrin, Alexander Trousov	• Galaxy: IBM Ontological Network Miner	
	Kalpana Shankar	• Evaluation Measures of Ontologies	
	Andreas Walter, Gabor Nagypal	• IMAGENOTION: Collaborative Semantic Annotation of Images and Work Integrated Creation of Ontologies	
	Steffen Lohmann, Philipp Heim, Jürgen Ziegler	• Semantic Integrator: Semi-Automatically Enhancing Social Semantic Web Environments	
	Event		
17:25	Sächsischer Abend		
	• Forum Studenten / Wirtschaft aus der Region		

THURSDAY, 2007-09-27

08:15	Registration		30min
	Keynote		45min
08:45	Dr. Said Zahedani	<i>Direktor DPE und Mitglied der Geschäftsleitung, Microsoft Deutschland GmbH</i>	
	• User Experience as foundation for the success of Web 2.0, Software and Services		
	Invited Speech		30min
09:30	Dr. Hendrik Van Gammeren	Dr. Tomasz Kaczmarek	<i>Poznan University of Economics</i>
	• B-Source BPO eyewitness report: decide, implement and operate	• Challenges of Web information integration	
10:00	Break		15min
	Papers: Social Spaces		90min
10:15	Patrick Maué	• Collaborative Metadata for Geographic Information	
	Thomas Riechert, Steffen Lohmann	• Mapping Cognitive Models to Social Spaces - Lightweight Collaborative Development of Project Ontologies	
	Jens Lehmann, Jörg Schüppel, Sören Auer	• Dbpedia Relationship Finder	
11:45	Break		15min
	Papers: SoftWiki		90min
12:00	Mariele Hagen, Berit Jungmann, Kim Lauenroth	• A Processmodel for Wiki-Based Requirements Engineering Supported by Semantic Web Technologies	
	Haiko Cyriaks, Steffen Lohmann, Veli Velioglu, Jürgen Ziegler	• Supporting Requirements Elicitation by Semantic Preprocessing of Document Collections	
	Steffen Lohmann, Jürgen Ziegler	• Ways of Participation and Development of Shared Understanding in Distributed Requirements Engineering	
	Thomas Riechert, Kim Lauenroth, Jens Lehmann	• SWORE - SoftWiki Ontology for Requirements Engineering	
13:30	Lunch		60min
	Demo und Poster II		90min
14:30	Stefan Kröger	• Analysing Wiki-based Network using SONIVIS:Tool	
	Marc Fleischmann	• sMeet - Bringing a Rich and Realistic Communication Experience to the Global Virtual Society	
	Rainer Hammwöhner	• Semantic Wikipedia - Checking the Premises	
	Michael Martin	• Exploring the Netherlands on an easy semantic path	
	Joshua Bacher, Michael Backhaus	• BOWiki - an ontology curation and annotation framework for biology	
	Richard Cyganiak	• Dbpedia as a Nucleus for a Web of Open Data	
16:00	Break		15min
	Concluding Panel Discussion: Is there a Social Semantic Web?		90min
16:15	Panelists: Matthias Bärwolff, Klaus-Peter Fähnrich, Marc Fleischmann, Kingsley Idehen, Harald Sack		
18:00	CSSW Social Event		240min
